Subject: Re: DARRELL ACTION: Review of author edits to NCA4 in light of final EPA comments

Wonderful - thanks, Darrell. We hope to get the other chapters EPA had comments on out to you ASAP (we're awaiting responses from authors on the final review I had). We recall you'll be on leave next week(ish), so we'll just work around that.

Thanks again,
Dave

Darrell,

Ex. 5 Deliberative Process (DP)

We ask that you review the attached documents and provide us with your sign-off **by COB this Wednesday, July 25**. Should this timeline prove to be infeasible or should you feel additional work needs to be done by the authors (solely to respond to these comments), please let Chris (cc'd) and me know ASAP. Don't hesitate to call if you have any questions or concerns.

Many thanks for your continued engagement!

Dave
